

Why Is *Acne No More* The Best Selling Holistic Acne Book In Internet History, With Thousands Of Satisfied (And Now Acne Free) Users In 131 Countries Worldwide?

Acne No More is the #1 best selling acne ebook in the history of the Internet for a reason...

Thousands of women and men of every age have completely cured their acne condition and achieved lasting clear skin naturally, without drugs, over the counters, creams or "magic potions," simply by using the clinically proven, scientifically-accurate step by step method found inside this amazing acne freedom guidebook.

Mike Walden, a certified nutritionist, health consultant and author has not just pumped out yet another "acne cure program" into an already over-saturated market. Mike's *Acne No More* can be more accurately described as an "Acne Bible." It is quite simply one of the most comprehensive, complete, and precise guides to acne freedom you will ever read. What makes it so much different than other clear skin publications on the market?

Well first of all, it's not just a "acne relief" or "skin care" program, it's a holistic acne cure program. This may seem like semantics or wordplay at first, but once you've read just the first chapters, there will be no doubt in your mind that pursuing "acne relief" is not only the wrong goal, it may be the reason that you've failed to stop and maintain your 'acne free internal environment'. *Acne No More* shows you exactly why you should fix the internal problem that's causing your acne, not just masking the symptoms or getting relief and then goes on to show you exactly how to do it.

Secondly, what makes *Acne No More* different is the amount of attention that is paid to each and every element required to achieve permanent freedom from acne symptoms and from hormonal and toxic overload disorders. *Acne No More* not only thoroughly discusses the lies, myths and fallacies surrounding a very confusing subject, it is simply the most detailed book about acne, blackheads, and hormonal health and inner balance ever written.

The *Acne No More* book is quite extensive (240 pages of rock solid content) which focuses on 100% natural acne treatment. That means there aren't recommendations for harsh prescription drugs with nasty side effects. In *Acne No More* core formula section (The 5 pillars) - Nothing is held back. In this section, Mike gives a detailed overview of each step, and then dives into the specifics in a perfect chronological order. There are also outstanding charts and checklists which make it very easy to know where you are at in the program and follow it.

Because the *Acne No More* program is not a quick fix 'fairy tale' cure but a complete holistic solution aimed at eliminating the root cause of acne and digestive disorders (regardless of their severity) and ensure your will

permanently be acne-free, it does take work and persistence to complete. "The dictionary is the only place success comes before work" says Mike, as he emphasizes the "no quick fix" philosophy behind the entire book.

If there is any drawback to the *Acne No More* ebook, it's that it contains so much information, that some readers may find it a bit overwhelming. Those who are looking for a quick start type of acne program, might be a bit intimidated at first. The good part however, is that even these types of readers can feel confident and assured that it will be worth the effort because this will literally be the last book they ever have to buy on the subject.

Who will benefit most from *Acne No More*?

In the broadest sense, anyone and everyone who needs to cure their acne and regain their natural inner balance will benefit from *Acne No More*. This ebook is honestly for everyone. Even people without acne. This is a total health rejuvenation program better than 98% of the nutrition and alternative health books on the market.

In terms of graphic design, *Acne No More* is a clean and professionally formatted PDF e-book. It is well organized and ideal for printing and reading in the comfort of your own home.

This impressive and unique publication has changed many lives and the hundreds of inspiring testimonials and success stories are found on the *Acne No More* website archives as proof.

The Bottom line?

Anyone looking for a quick fix solution to acne, anyone looking to be told fairy-tales, and anyone looking for a "magic bullet", acne pills, over the counters, 'acne freedom in 3 days' hyped up programs should not waste his or her time with *Acne No More*.
